4. Your questions answered

When is marriage likely?

Yes, likely · best window 23 Jul 2028 – 24 Jun 2029

Marriage is likely between 23 July 2028 and 24 June 2029. This period is favourable because Jupiter aspects your seventh house, bringing wisdom and protection to relationships. Your running period of Mercury–Jupiter until October 2026 is also supportive for these matters.

What kind of partner suits me?

A partner who is disciplined, ambitious, and patient would suit you well. This is indicated by your seventh house and its lord, Saturn, both being in Capricorn. Your Venus is in Leo, suggesting someone with a warm and perhaps creative nature.

Love or arranged marriage?

You lean towards an arranged or family-introduced match. This is because your fifth lord, Mars, and your seventh lord, Saturn, are not directly linked in a way that strongly suggests a romance-based union.

Do I have Manglik dosha?

You do not have the full Manglik dosha, as it is not considered from your ascendant or Moon. However, it is present in relation to Venus, though such indications are often cancelled out when matching horoscopes.

Which months are best for important talks or events?

The best months for important talks or events are October, November, and December 2026, as well as January 2027. These times are particularly supportive due to the combined influence of your running planetary periods and favorable transits.

Which months need more patience?

You may need to exercise more patience during August and September 2027. While the specific reasons are not detailed here, these months may present challenges that require a calm and understanding approach in relationships.

5. What helps

This year, focus on nurturing your relationships with kindness and appreciation. Small gestures of thoughtfulness can go a long way in fostering harmony and understanding. Remember to create a pleasant and beautiful environment around yourself and your loved ones, as this can positively influence your emotional well-being. Actively appreciate your partner's contributions, however small they may seem. To further support your love and marriage, consider chanting the mantra Om Kraam Kreem Kraum Sah Bhaumaya Namah: 108 times, especially on Tuesdays.
